Annual Meeting

Town of Allenstown

The annual meeting of the Town of Allenstown was held on March 18, 1978. Meeting was called to order at 7:00p.m. by George P. Guertin who welcomed everyone in attendance, introduced the town officers, and proceeded with the following recitation:

"I respectfully ask everyone to honor the 'No Smoking' regulation in this auditorium.

This town is required by law to have an annual meeting for the election of town officers, for the raising and appropriating of money for the operation of the town, and for the transaction of other town business. The Board of Selectmen is required by law to warn the inhabitants of the town, qualified to vote in town affairs, by a warrant, stating the time and place of the meeting and the subject matter of the business to be acted upon.

A town meeting can only act upon articles specifically set out in the warrant. The town officers may insert articles on their own initiative, but they must insert the subject matter of any petition signed by ten or more voters of the town, presented no later than thirty-five days prior to the meeting. The purpose of this requirement is to inform the voters of the business on which they are called upon to act at any meeting. Anything else is not proper.

It is my duty to protect the absent voters of the town by not letting the town meeting vote on matters not mentioned in the warrant. The towns have only such powers as are granted to them by the State and are bound by the limits imposed on them by the Legislature. This town operates under the New Hampshire Municipal Budget Act and is governed by its regulations. No appropriation can be made for any purpose not included in said budget. As long as the provisions of this law remain in force in this town, the total amount appropriated at any meeting shall not exceed 10% of the total amount specified in the budget, less fixed charges.

This year's budget, as submitted by the Allenstown Budget Committee, requires a total appropriation of $690,424.23. This sum includes all special money articles that were approved by the Budget Committee, that will be voted on tonight.

It is my duty as Moderator to conduct the business, to decide on questions of order, to make a public declaration of every vote taken and to preserve order. It is my intention to make sure that every voter desiring to be heard on the subject at hand has that opportunity. It is my duty and your right to make sure that no voice is excluded or no opinion suppressed during this meeting.

I only ask that each speaker state his or her name, so that the Town Clerk may enter it upon the record, and to speak only on the subject being debated. Strict adherence to parliamentary procedure is not required. This is not a court of law, but a meeting of the voters of Allenstown. This is your meeting and it is not my desire to adopt rules, like Roberts or Cushing's to confuse and curtail the voters. If our type of government is to continue, you, the voters must take an active part.

One of the frequent unsound parliamentary practices is the use of what is called negative motions. This is when a voter must say 'no' to mean 'yes.' I would encourage at this meeting that each article to be voted upon be a motion to pass it so that after debating an article a 'yes' vote would be to accept the article and a 'no' vote would be to defeat the article. Again let me restate that this is not a rule of this meeting but jus a suggestion.

This meeting is being tape recorded, and I urge everyone planning to speak on the various motions to use the mike."

Mr. Roger Menard, Chairman of the Budget Committee, then took the floor and stated the following:

"The Allenstow Budget Committee met every Saturday from 9 a.m. to mid-afternoon, and some evenings, from December 2nd to February 18th.

The Commitee listened to each department head, selectman, school board member, and weighed their requests against the services they render, the cost of these services and whether this town can afford these services.

After much deliberation, the Committee came up with a Town Budget which will probably hold your taxes in line with last year.

I am sure some of you disagree with some of our actions, and this is what this town meeting is all about.

If you wish to increase this town budget, keep the following figures in mind. Our tax rate has increased approximately $21.00 over the last two years, and the town has had to borrow more and earlier during the year every year. In 1976 we borrowed $80,000 by March 15. In 1977, we borrowed $112,000 by March 18. Already in 1978, the town has had to borrow $150,000 by February 13th! You will notice the sharp increase in interest on temporary loans from $9,032.00 last year to $13,500.00 for this year.

Keeping these figures in mind, I am sure your decisions here this evening will be in the best interest of the town.

Thank you."

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

--This Article was taken care of on March 14, 1978. The results are known.

ARTICLE 2. To see if the Town will vote to accept the Budget as submitted by the Budget Committee, or pass any vote in relation thereto.

--Eugene Vallee Jr. made a motion to set this Article aside until the reading of the lined items. Seconded by Adelard Hebert and voted.

ARTICLE 3. (By Petition) To see if the Town of Allenstown will give the expanded tax exemption as passed by the New Hampshire Legislature in 1977.

--This Article was voted on Tuesday, March 14, 1978 by ballot. It was required to be inserted before the next two items.

ARTICLE 4. To see if the Town will vote to adopt the new provision of RSA 72:43-C relative to expanded exemption of real estate for the elderly, changing the eligibility requirements that a person may own no more than $35,000.00 in assets of any kind, to a requirement that a person may own no more than $50,000.00 in assets of any kind.

--This Article was taken care of on March 14, 1978. The result was 536 "yes" votes and 272 "no" votes.

ARTICLE 5. To see if the Town will vote to adopt the new provision of RSA 72:43-B relative to expanded exemption on real estate for the elderly, changing the basis of the exemption from the equalized assessed valuation, to the actual assessed valuation.

--This Article was taken care of on March 14, 1978. The result was 522 "yes" votes and 235 "no" votes.

ARTICLE 6. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

--A Motion was made by Eugene Vallee Jr. to accept Article 6 as read. Seconded by Joan Therrien and voted.

ARTICLE 7. To see if the Town will vote to give a one (1%) percent discount on all 1978 property taxes paid within thirty (30) days after mailing of the tax bills.

--A Motion was made by Joan Menard to accept Article 7 as read. Seconded by Carlton Deane and voted.

ARTICLE 11. To see if the Town will vote to indemnify and save harmless all town employees and officials from personal liability while performing their official duties or while working within the course of their employment.

--A Motion was made by Eugene Vallee Jr. to accept Article 11 as read. Seconded by Joe Benninghove. Mike Phelps, Chairman of the Planning Board stated that there are some town employees who do not get paid for their time and these employees should be assured that they will not be personally liable. No one would be willing to donate their time if there was a possibility they could be sued. This Article voted and passed.

ARTICLE 12. To see if the Town will vote to raise the sum of $10,000.00 to authorize the development of the Town of Allenstown Park Property, as recorded in the Merrimack County Registry of Deeds, Book 600, Page 584, consisting of 71,656 Sq. Ft. (1.644 acres). Said property being adjacent to Reynold Street and to be developed in the following manner:

1. To be landscaped and drained.
2. Parking area to be graded near Reynold Street.
3. Construction of two (2) courts and one basketball court.

Said appropriation being contingent upon the Town receiving $5,000.00 in matching State or Federal funds. (This article is approved by the Budget Committee.)

--Dennis Bowers made a Motion that Article 12 be accepted as read. Seconded by Maurice Lavertu. It was discussed that in the future there were plans for swings etc. for the younger children and that this was just a beginning. Article 12 voted and passed.

--A Motion was made by Eugene Vallee Jr. to accept Article 14 as read. Seconded by Elinore McGowen and voted.

ARTICLE 15. To see if the Town will vote to hire a qualified part-time building inspector at a salary of $5,000.00 and raise and appropriate such sum for said purpose. (This article is approved by the Budget Committee.)

--A Motion was made by Mike Phelps to accept Article 15 as read. Seconded by Henrietta Girard. Thre was a general discussion as to whether a contractor should hold this position.

--A Motion was made by Roy Nadeau to table this Article to the next town meeting. Seconded by William Birnie. This was defeated.

--Thee was an amendment made to this Article by Patricia Higgins and seconded by Carlton Deane that the building inspector will not inspect his own work. Voted and passed. This Article amended.

ARTICLE 16. To see if the Town will vote to adopt the following ordinance:

MOBILE HOME MORATORIUM ORDINANCE

Section 1. Authority. This ordinance is adopted under authority of RSA 31:39 (1975 supp.).

Section 2. Mobile Home Moratorium. No mobile home may be erected, installed, remodeled, restored, or replaced in the Town of Allenstown except as permitted under Section 3 of this ordinance.

Section 3. Exceptions. Any mobile home which lawfully existed in the Town of Allenstown on the date this ordinance became effective, or which was subsequently lawfully installed as a replacement home under this section, may be continued, remodeled, restored or replaced, on its present site, subject to the following limitations:

a) No such mobile home may be replaced with, or remodeled into, a mobile home more than one story in height.

b) No such mobile home may be replaced with a mobile home of less than seven hundred (700) square feet interior floor area, unless the mobile home being replaced contains less than seven hundred (700) square feet interior floor area, in which case the replacement home shall not contain an interior floor area less than that contained in the home being replaced.

c) No such mobile home may be replaced without prior written approval from the Board of Selectmen. The applicant shall furnish the Selectmen with sufficient information to demonstrate that the proposed mobile home is otherwise permited under Sections 2 and 3 of this ordinance, which information shall be recorded and preserved by the Board of Selectmen. The Selectmen shall grant approval if the proposed mobile home complies with Sections 2 and 3 of this ordinance.

Section 4. Enforcement. Whoever violates Section 2 of this ordinance shall be subject to a penalty of not more than one hundred dollars for each separate offense. Each and every day or portion thereof during which any violation if committed or continued shall be deemed a separate offense, and each and every violation shall be deemed a separate offense. In addition, whoever violates Section 2 of this ordinance shall be sucject to such injunctive relief as the courts deem just.

Section 5. Record of Existing Mobile Homes. In order to more effectively administer and enforce Section 3 of this ordinance, the Board of Selectmen may compile and preserve an accurate record of the location and relevant dimensions of mobile homes which existed in the Town of Allenstown on the date of this ordinance became effective or which were subsequently lawfully installed as replacement homes under Section 3. The Board of Selectmen may compile this record by receiving and confirming reports from interested persons, by conducting their own survey, or both.

Section 6. Separability. If any provision of this ordinance or the application thereof to any person or circumstances if held invalid, the remainder of this ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 7. Effective Date. This ordinance shall take effect upon adoption.

--A Motion was made by Ed Duchesne and seconded by Adelard Herbert to accept Article 16 as read. Carlton Deane spoke on the various sections of Article 16. Larry Bernard spoke on regulating future growth of Allenstown and that this was the reason for this Article. Al Levesque asked whether this Article was legal without having two public hearings. It was stated that the Planning Board attorney had drafted this Article and that it was proper to bring these ordinances up at a town meeting or bring them before two public hearings. The Selectmen said this was in writing and could be seen at their office. Al Levesque challenged this for future reference. There was a very lengthy general discussion by various people on controlling the future growth of the Town of Allenstown.

--A Motion was made by Adelard and seconded by Mr. Chaput to discontinue the debate. This Motion was voted and passed.

--A Motion was made by the following people for a secret ballot on this Article: Larry Bernard, Carlton Deane, Gordon Sasserson, David Higgins, Elinore McGowen, Linda Welch and Al Chalmers. The result was 213 "yes" votes and 120 "no" votes. Article 16 passed.

ARTICLE 17. To see if the Town will vote to adopt the following ordinance:

MOBILE HOME BUILDING PERMIT ORDINANCE

Section 1. Authority. This ordinance is adopted under authority of RSA 156:1 (1975 supp).

Section 2. Building Permit Required. A mobile home shall be deemed a "building" under RSA 156, and no person shall erect, install, remodel, restore, or replace a mobile home in the Town of Allenstown after the effective date of this ordinance without first obtaining approval from the Building Inspector in accordance with RSA 156:2 (supp), 156:2-a (supp) and 156:3-b (supp).

Section 3. Enforcement. This ordinance may be enforced pursuant to RSA 156:5 (1975 supp) and by such injunctive remedies as the courts may deem just.

Section 4. Separability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, the remainder of this ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 5. This ordinance shall take effect upon adoption.

--A Motion was made by Adelard Hebert to accept Article 17 as read. Seconded by Leon Girard. An amendment to Section 2 was proposed by Al Levesque and seconded by Gordon Sasserson to add the word "residential" between the words **a** and **"building."** This amendment was not passed. There was a discussion as to the need for Article 17 as well as Article 16. An amendment to Article 17 was proposed by Elaine Garceau and seconded by Carlton Deane to eliminate the word "mobile" wherever it appears. This amendment was not passed.

--A Motion was made by Adelard Hebert and seconded by Henry LaRiccia to move on Article 17. Motion passed. Article 17 voted on and passed. John Welch made a statement for the record that both of these Articles (16 and 17) are unconstitutional.

ARTICLE 18. To see if the Town will vote in accordance with RSA 36:19-a to empower the Planning Board to review, and approve or disapprove, site plans for the development of tracts for non residential uses regardless of whether such development includes a subdivision or resubdivision of the site.

--A Motion was made by Dennis Bowers to accept Article 18 as read. Seconded by Linda Welch and voted.

ARTICLE 19. (By Petition) To see if the Town will vote to amend the zoning ordinance and map of the Town of Allenstown so that a certain parcel of land consisting of 14.5 acres, more or less, situated on the southeasterly side of U.S. Route 28 and a part of the Bates Farm, and presently under consideration for the purpose of building a factory. Further described and shown on a plan entitled Subdivision Plan-Allenstown, New Hampshire, dated January 10, 1978, with revisions of 1/13/78 and 1/25/78, by Thomas F. Moran, Inc., Registered Land Surveyors, recorded in Merrimack County Registry of Deeds, Subdivision 51-52.

This being the same parcel as recently approved by the Town's Planning Board and the variance Board for industrial purposes and shall be hereby rezoned from open space and farming zone to industrial zone.

--A Motion was made by Donald Girard and seconded by Joe Benninghove to accept Article 19 as read. There was a general discussion as to where the property was and as to the legality of the Article. Article 19 defeated.

ARTICLE 20. (By Petition) To see if the Town of Allenstown will vote to reduce the price on the use of the sewer from 99 cents to 75 cents, same as Pembroke.

--This Article was ruled out. It was not voted upon.

ARTICLE 21. To see if the Town will vote to make the office of the Fire Chief an appointive office rather than an elective office, effective upon the expiration of the current elective term (1979 Town Meeting date) and to authorize the Board of Selectmen to appoint a new Fire Chief after reviewing his qualifications and past experience in the fire service.

--A Motion was made by Arthur Houle and seconded by Adelard Hebert that Article 21 be accepted as read. Richard Martel proposed the following amendment: To appoint a new Fire Chief after a third party (for instance a New Hampshire Fire Service Training) examines all eligible candidates through proper examining procedures. The Service shall then choose from the top three applicants. This amendment was seconded by Richard Fleury. Amendment defeated. Article 21 defeated.

--A Motion was made by Roger Menard to adjourn the Meeting to Monday at 7:00 p.m. since by law there could be no further business conducted after 12:00 midnight. Seconded by Eugene Vallee, Jr. and voted.

The continuation of the annual meeting of the Town of Allenstown was called to order at 7:00 p.m. by George P. Guertin, Moderator, on Monday, March 20, 1978.

ARTICLE 22. (By Petition) To see if the Town of Allenstown will vote to adopt the 1976 revisions to the 1970 Fire Prevention Code recommended by the American Insurance Association. Said code to take effect upon passage.

--A Motion was made by Roger Letendre and seconded by Carlton Deane to accept Article 22 as read. Article 22 voted and passed.

ARTICLE 23. (By Petition) To see if the Town of Allenstown will vote to adopt the 1976 revisions to the National Fire Protection Association Life Safety Code, 1967 Edition, said code to take effect upon passage.

--A Motion was made by Bruce Fogg and seconded by Paul Hebert to accept Article 23 as read. Article 23 voted and passed.

ARTICLE 24. (By Petition) To see if the Town will vote to raise and appropriate the sum of $5,000.00 to expand and renovate the Fire Station. (This article is approved by the Budget Committee.)

--A Motion was made by Richard Averill and seconded by Gloria Averill to accept Article 24 as read. Roger Letendre stated that the money would be used toward renovation of the interior and fixing the floor etc. Article 24 voted and passed.

ARTICLE 25. (By Petition) To see if the Town will raise and appropriate the sum of $2,325.00 for the purpose of installing a fire alarm system in the Allenstown Fire Station; this system to be tied to the municipal fire alarm system. (This article is disapproved by the Budget Committee.)

--A Motion was made by Eugene Vallee, Jr. to accept Article 25 as read and seconded by Adelard Hebert. There was a general discussion as to whether a sprinkler system was looked into and whether a fire alarm system would serve any purpose since it would not extinguish a fire. Article 25 defeated.

ARTICLE 26. (By Petition) To see if the Town will raise and appropriate the sum of $8,450.00 for the purpose of installing a fire alarm system in the Allenstown Municipal Building; this system to be tied into the municipal fire alarm system. (This article is disapproved by the Budget Committee.)

--A Motion was made by David Higgins to disapprove Article 26 and seconded by Charles Todd. This Article was defeated.

ARTICLE 27. (By Petition) To see if the Town will raise and appropriate the sum of $3,800.00 for the purpose of installing a fire alarm system in the Allenstown Library; this system to be tied into the municipal fire alarm system. (This article is disapproved by the Budget Committee.)

--A Motion was made by Carlton Deane and seconded by Bruce Fogg to disapprove Article 27. This Article defeated.

BALANCE AMOUNT OF REVENUE SHARING IS: $52,437.00

ARTICLE 28. To see if the Town will vote to appropriate the sum of $20,000.00 from the Federal Revenue Sharing Trust Fund for use as set-off against the budgeted appropriation for winter and summer maintenance of the highways. (This article is approved by the Budget Committee.)

--A Motion was made by Bruce Fogg and seconded by Joe Benninghove to approve Article 28 as read. Mr. Robert Marier asked the reason for this and Roger Menard explained the revenue sharing procedure to reduce taxes. We can apply revenue sharing funds to any account. Article 28 voted and passed.

ARTICLE 29. To see if the Town will vote to appropriate the sum of $5,500.00 from the Federal Revenue Sharing Trust Fund for use as set-off against the budgeted appropriation for Town Hall Expense. (This article is approved by the Budget Committee.)

--A Motion was made by Eugene Vallee, Jr. to accept Article 33 as read. Seconded by Elinore McGowen and voted.

ARTICLE 34. To see if the Town will vote to appropriate the sum of $6,937.00 from the Federal Revenue Sharing Trust Fund for use as set-off against the budgeted appropriation for Town construction and highway. (This article is approved by the Budget Committee.)

--A Motion was made by Bruce Fogg to accept Article 34 as read. Seconded by Joe Benninghove and voted.

--A Motion was made by Charles Todd and seconded by Henry LaRiccia to approve the budget as submitted by Budget Committee in the amount of $691,624.23.

--A Motion was made by Donald Girard to appropriate the sum of $15,000.00 to bring in a six inch water main in the fire station and municipal building and go as far as the money will go including installing mains, heads, etc. Drawings to be laid out by certified sprinkler contractor. This Motion was seconded by Henrietta Girard. Charles Todd and various other people spoke against this. The matter of this amount adding on to our tax burden was brought up. This amendment voted on and defeated.

--A Motion was made by Bruce Fogg to increase the Police Department budget by $11,320 to $56,327 for a fulltime fourman Police Department. This Motion was seconded by Elinore McGowen. Messrs. Bruce Fogg and Basil Cutting spoke in favor of this amendment citing the need for a four man fulltime Department. Arthur Bettez spoke in favor of a three-man Department in which the Town would have 80% coverage. Donald Chase spoke in favor of the four-man Department. Armand Verville took the floor and spoke in favor of a three-man Department increasing the budget to $53,727, up $8,720.00.

--Bruce Fogg retracted the foregoing amendment. Elinore McGowen retracted her second to the amendment.

--A Motion was made by Bruce Fogg to increase the Police Department budget by $7,260 for a three-man Police Department. Seconded by David Higgins. There was a general discussion as to whether a third man would be certified or whether the Town of Allenstown would have to pay for his schooling to become certified. Also it was aid that the third man would have to be twenty-one years of age or older. At this time the following petition was made: "We the undersigned registered voters of Allenstown petition that a secret ballot be utilized to vote on the present issue under discussion: Robert Phillips, Charles Ayers, Grace Phillips, Dick Gove, Jesse Welch, Herve Verville and Lionel Stokes." A secret ballot was held and the results were 89 "yes" votes and 93 "no" votes. Amendment defeated.

--A Motion was made by Larry Bernard to amend the general highway department expense budget in order to increase it by $3,640.00.Seconded by Joe Benninghove. It was said that this was only an estimate. Voted on and passed.

Allenstown Town Warrant

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN THE TOWN AFFAIRS.

You are hereby notified to meet at the Allenstown Elementary School in said Allenstown on Tuesday, the 13th day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. To see if the Town will vote to amend the Allenstown Zoning Ordinance by adding the following to Article X, Section 1001 (c), which presently provides that a municipal officer shall not be a member or alternate of the Board of Adjustment:

"For the purpose of this subsection, 'municipal officer' shall mean any employee of the Town of Allenstown or person serving as an elected or appointed official of the Town. The intent of this provision is to prevent conflicts of interest and to spread participation in municipal activities among citizens of the Town. This provision shall not apply to any member or alternate of the Board of Adjustment appointed prior to January 1, 1979, for the duration of the term of appointment being served on that date, but shall apply to the reappointment of such member or alternate at the expiration of such term."

3. To see if the Town will vote to amend the Allenstown Zoning Ordinance by deleting the present provisions of Article XI, Enforcement, Section 1101, and inserting in its place the following:

"ARTICLE XI
ENFORCEMENT

Section 1101. In addition to any other remedies authorized by law, in case any building or structure is erected, reconstructed, altered, repaired, converted, or maintained, or any building, structure, or land is used in violation of this Zoning Ordinance, the owner or owners of the building, structure, or land, and any other person violating the provisions of this Zoning Ordinance may be punished by a fine of not more than ten ($10) dollars for each day that such violation continues after the conviction date, in accordance with the provisions of RSA 31:88 as amended."

4. To see if the Town will vote to amend the Allenstown Zoning Ordinance by adopting the following provisions, which were recommended by the Federal Insurance Administration of the U.S. Department of Housing and Urban Development in order for the Town to qualify under the National Flood Insurance Program.

Add the following Subsection 902(e) to Article IX, Administration, Section 902, Zoning Permits Required:

"e. Any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations."

Add the following Article VII-a

"ARTICLE VII-a
FLOODPLAIN DEVELOPMENT REGULATIONS

Section 1. The Flood Insurance Rate Maps and Flood Boundary and Floodway Maps for the Town of Allenstown, effective, April 2, 1979, compiled by the U.S. Department of Housing and Urban Development, Federal Insurance Administration, are adopted by reference and declared to be a part of this Article. Those maps are National Flood Insurance Program Flood Boundary and Floodway Maps, Community Panel Numbers 330103-0005-B and 330103-0010-B, and National Flood Insurance Program Flood Insurance Rate Maps, Community Panel Numbers 330103-0005-B and 330103-0010-B.

Section 2. The Building Inspector shall review all building permit applications for new construction or substantial improvements (meaning repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either (a) before the improvement or repair is started, or (b) if the structure has been damaged, and is being restored, before the damage occurred) to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistent to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

Section 3. The Building Inspector shall require in all flood hazard areas where base flood elevation data has been provided (i.e., for all numbered "A" Zones - "A1" - "30"), the following specific standards:

a. **Residential Construction** - New construction or substantial improvement of any residential structure shall have the lowest floor, including basement, elevated to or above base flood elevation.

b. **Non-Residential Construction** - New construction or substantial improvement of any commercial, industrial or other non-residential structure shall either have the lowest floor, including basement, elevated to the level of the base flood elevation or, together with attendant utility and sanitary facilities, be floodproofed so that below the base flood level the structure is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer or architect shall certify that the floodproofing methods are adequate to withstand the flood depths, pressures, velocities, impact and uplift and other factors associated with the base flood. Such certification shall be provided to the Building Permit Officer.

Section 4. The Building Inspector shall obtain, review and reasonably utilize any base flood elevation data available from a Federal, State, or other source, until such other data has been provided by the Administrator, as criteria for requiring that (i) all new construction and substantial improvements of residential structures have the lowest floor (including basement) elevated to or above the base flood level and

(ii) all new construction and substantial improvements of non-residential structures have the lowest floor (including basement) elevated or floodproofed to or above the base flood level.

Section 5. Within areas designated as floodways, the following standards shall apply:

a. Prohibit encroachments, including fill, new construction, substantial improvements and other developments unless certification by a professional registered engineer or architect is provided demonstrating that the encroachment shall not result in any increase in flood levels during occurrence of the base flood discharge.

b. Prohibit the placement of any mobile home, except in an existing mobile home park or existing mobile home subdivision.

Section 6. The Building Inspector shall require within flood hazard areas new and replacement water supply systems to be designed to minimize or eliminate infiltration of flood waters into the systems.

Section 7. The Building Inspector shall require that all mobile homes placed within Zone A of the Town's Flood Insurance Rate Map shall be anchored to resist floatation, collapse, or lateral movement by providing over-the-top and frame ties to ground anchors. Specific requirements shall be that (i) over-the-top ties be provided at each of the four corners of the mobile home, with two additional ties perside at intermediate locations and mobile homes less than 50 feet long requiring one additional tie per side, (ii) frame ties be provided at each corner of the home with five additional ties per side at intermediate points and mobile homes less than 50 feet long requiring four additional ties per side, (iii) all components of the anchoring system be capable of carrying a force of 4,800 pounds, and (iv) any additions to the mobile home be similarly anchored.

Section 8. For new mobile home parks and subdivisions; for expansions to the existing mobile home parks and subdivisions; for existing mobile home parks and subdivisions where the repair, reconstruction, improvement of the streets,utilities and pads equals or exceeds 50 percent of value of the streets, utilities and pads before the repair, reconstruction or improvement has commenced; and for mobile homes not placed in a mobile home park or subdivision:

a. stands or lots shall be elevated on compacted fill or on pilings so that the lowest floor of the mobile home will be at or above the base flood level;

b. adequate surface drainage and access for a hauler shall be provided; and,

c. in the instance of elevation on pilings:

a. lots shall be large enough to permit steps;

b. piling foundations shall be placed in stable soil no more than ten feet apart, and

c. reinforcement shall be provided for pilings more than six feet above the ground level.

Section 9. The Building Inspector shall notify, in riverine situations, adjacent communities and the State Coordinating Officer prior to any alternation or relocation of a watercourse, and submit copies of such notification to the Federal Insurance Administration.

Section 10. The Building Inspector shall assure that the flood carrying capacity within the altered or relocated portion of any watercourse is maintained.

Section 11. The Building Inspector shall maintain for public inspection and furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certification of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest floor (including basement of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been floodproofed the elevation (in relation to mean sea level) to which the structure was floodproofed. This information must be furnished by the applicant.

Section 12. The Building Inspector shall require flood hazard area permit applicants to certify that all necessary permits have been or are in the process of being obtained from those government agencies from which approval is required by federal or state law.

Section 13. The Town of Allenstown agrees to take such other lawful official action as may be reasonably necessary to carry out the objectives of the National Flood Insurance Program."

5. By Petition. To see if the Town will vote to amend the Allenstown Zoning Ordinance as follows: "We, the undersigned, wishing to control the growth in Allenstown, NH, recommend a two-acre lot minimum per newly-built home. It would increase the valuation of property, homes and reduce your property tax assessment."

6. Do you approve of having 2 (two) sessions for the annual Town meeting in this Town, the first session for choice of Town Officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for transaction of other business?

7. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

8. To see if the Town will vote to give a one (1%) percent discount on all 1978 property taxes paid within thirty (30) days after mailing of the tax bills.

9. By Petition. To see if the Town will vote to control the growth in said Town by requiring a two acre lot minimum per newly-built home.

10. By Petition. To see whether the Town will pave all the non-paved roads/streets within the limits of Allenstown, which consist of four (4) or more dwellings on the road or street and have been in existence (road/st.) for more than ten (10) years.

Said roads, would have been built prior to 1969; a subdivision requirement. Monies for the upgrading of these roads, shall come from the annual "Additional Gas Subsidy Funds." If said Funds for one year are insufficient to complete a road/streets, then that (road/street) shall be constructed or reconstructed to the extent of the available funding for that year and completed the following year or years, depending on the amount of construction/reconstruction required and funding available in the preceeding years.

By using these funds, no additional tax burden will be placed on our fellow townsmen and provide good roads to others.

*Additional Gas Subsidy Funds, may be used for construction and reconstruction of roads. These funds cannot be implemented for salt, snow removal and general maintenance items, the old highway subsidy may be implemented for these. (This article is submitted without recommendation of the Budget Committee.)

11. By Petition. To see if the Town will appropriate the sum of $5,000.00 (-/-); from the "Additional Gas Subsidy Fund*" estimated at $8,279.48 for 1979; to install two (2) Catch Basins and pave Summers Avenue, a street built under the 1955 Specifications, which is Town Maintained, Lighted and has never been taxed, or taxed paid upon since its construction in 1963.

Said construction cost, is for materials only, as the employees will be paid whether they perform this work or work elsewhere in Town, by using these funds our environment will be up-graded at no additional cost to our fellow townsfolk.

*Additional Gas Subsidy Funds are supposed to be used for road construction or reconstruction only, and cannot be implemented for salt, snow removal or general maintenance. (This article is submitted without recommendation of the Budget Committee.)

12. To see if the Town will vote to raise the sum of Ten Thousand ($10,000.00) Dollars to authorize the development of the Town of Allenstown Park Property, as recorded in the Merrmiack County Registry of Deeds, Book 600 Page 584, consisting of 71,656 Sq. Ft. (1.644 acres). Said property being adjacent to Reynold Street and to be developed in the following manner:

Construction of two (2) tennis courts, said appropriation being contingent upon the Town receiving Five Thousand ($5,000.00) Dollars in State or Federal funds. (This article is approved by the Budget Committee.)

13. To see if the Town will authorize the Allenstown Recreation Commission to apply for and accept all Federal and other funds available to be applied to the Allenstown Park Property Development, mainly intending to apply for and accept Five Thousand ($5,000.00) Dollars from the Bureau of Outdoor Recreation (BOR). (This article is approved by the Budget Committee.)

14. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred ($3,500.00) Dollars for Allenstown's share of the funding of the Juvenile Service Officer; said officer working with the Hooksett District Court. (This article is approved by the Budget Committee.)

15. To see if the Town will vote to raise and appropriate the sum of Five Thousand ($5,000.00) Dollars to build an addition and install a septic system at the Allenstown Highway Garage. (This article is approved by the Budget Committee.)

16. To see if the Town will vote to decrease the salary of the part-time building inspector from Five Thousand ($5,000.00) Dollars per year to Two Thousand ($2,000.00) per year. (This article is approved by the Budget Committee.)

17. By Petition. To see if the Town will vote to raise and appropriate the sum of Five Thousand Eight Hundred ($5,800.00) Dollars for the purchase of a 1979 Buick LeSabre State Police Package. (This article is approved by the Budget Committee.)

18. By Petition. To see if the Town will vote to raise and appropriate the sum of Eight Thousand ($8,000.00) Dollars to increase

Police full time capability. (This article is disapproved by the Budget Committee.)

19. By Petition. To see if the Town will vote to raise and appropriate the sum of Sixty-Nine Thounsand Seven Hundred and Fifty ($69,750.00) Dollars for the purpose of purchasing a 1979 1000 GPM pumper tanker fire truck and that this amount to be raised from Federal Revenue Sharing Trust Fund and bond issue. (This article is disapproved by the Budget Committee.)

20. By Petition. To see if the Town will vote to raise and appropriate the sum of Forty-Five Thousand ($45,000) Dollars for the purpose of reconditioning the 1964 Farrar Pumper and that this amount to be raised from the Federal Revenue Sharing Trust Fund and bond issue. (This article is disapproved by the Budget Committee.)

BALANCE AMOUNT OF REVENUE SHARING IS: $49,047.87

21. To see if the Town will vote to appropriate the sum of Twenty Thousand ($20,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set-off against the budgeted appropriation for winter and summer maintenance of the highways. (This article is approved by the Budget Committee.)

22. To see if the Town will vote to appropriate the sum of Fifteen Thousand ($15,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set-off against the budgeted appropriation for the Fire Department. (This article is approved by the Budget Committee.)

23. To see if the Town will vote to appropriate the sum of Five Thousand ($5,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set-off against the budgeted appropriation for the Police Department. (This article is approved by the Budget Committee.)

24. To see if the Town will vote to appropriate the sum of Five Thousand ($5,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set-off against the budgeted appropriation for street lighting. (This article is approved by the Budget Committee.)

25. To see if the Town will vote to appropriate the sum of Four Thousand Forty-Seven Dollars and Eighty- Seven Cents ($4,047.87) from the Federal Revenue Sharing Trust Fund for use as a set-off against the budgeted appropriation for the Library. (This article is approved by the Budget Committee.)

26. To see if the Town will vote to accept the Budget as submitted by the Budget Committee, or pass any vote in relation thereto.

27. To transact any other business that may legally come before said meeting.

In accordance with the vote of the 1958 Town Meeting a motion will be in order at 10:00 a.m. to adjourn the reading of the Warrant to 7:00 p.m. Saturday, March 17, 1979 at the Allenstown Elementary School.

The polls will be open until 7:00 p.m. on March 13, 1979.

Given under our hands and seals this 26th day of February, A.D. 1979.

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1978 taxes on the basis of the following figures.

Net Assessed Valuation	$37,100,954.00
Taxes Committed to Collector:	
Town Property Taxes Assessed	$1,012,856.04
Total Gross Property Taxes	$1,012,856.04
Less: Est. War Service Tax Credits	34,600.00
Net Property Tax Commitment*	$978,256.04
Tax Rate - Town	2.73
Precinct	

*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school, county and precinct are as follows:

Net School Appropriations	$788,885.03
County Tax Assessment	70,611.00
Net Precinct Appropriation (1)	

In arriving at the above approved rate the Overlay has been set in the amount of $51,486.78.

Very truly yours,

Lloyd M. Price, Commissioner

TOWN OF ALLENSTOWN

Unit of Government	Rate
Municipal	.51
County	.18
School	2.04
Combined Rate (Non Precincts & Single School Districts - Towns or Cities)	2.73

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person in being taxed. The 1978 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempted by 1970 Special Session for each unit of government.

RSA 76: 13 provides that interest at 9% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after Nov. 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. It is also required by statute that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

LETTER OF TRANSMITTAL

Board of Selectmen
Town of Allenstown
Town Office
Allenstown, New Hampshire 03275

Members of the Board:

Submitted herewith is the report on examination of the accounts of Henriette Girard, Tax Collector of the Town of Allenstown for the periods from March 8, 1977 thru December 31, 1977 and January 1, 1978 thru March 14, 1978. This examination was made by this Division under the provisions of R.S.A. 41:36.

One of the enclosed audit reports must be given to the Town Clerk to be retained as part of the permanent Town records.

AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

CONCLUSION

The provisions of Chapter 71-A, Section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

Respectfully submitted,
Municipal Services Division

AUDITOR'S OPINION

Board of Selectmen
Town of Allenstown
Town Office
Allenstown, New Hampshire 03275

We have examined the Summary of Warrant Activity and Summary of Tax Sales Account of the Tax Collector of the Town of Allenstown for the periods from March 8, 1977 thru December 31, 1977 and January 1, 1978 thru March 14, 1978. Our examination was made in accordance with generally accepted audit standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned summary schedules present fairly the activities of the Tax Collector of the Town of Allenstown for the periods from March 8, 1977 thru December 31, 1977 and January 1, 1978 thru March 14, 1978 in accordance with R.S.A. 41:35 of the Revised Statutes of the State of New Hampshire.

(UNAUDITED)

NOTE 1: The Suncook Bank Pass Book #226172-5

A joint escrow bank account was initiated by both Town Sewer Commissions to hold the contested amount of $12,329.16 which represents a balance due Allenstown Sewer Commission by Pembroke Sewer Commission for it's portion of the cost of operating the Suncook Wastewater Treatment Plant for the calendar year 1977. These funds were withheld from a remittance to Pembroke as agreed at a December 1, 1978 meeting.

NOTE 2: Due from Pembroke Sewer Commission

The sum of $22,750.00 due from the Pembroke Sewer Commission originates from an agreed 65% pro-ration of the Statement amount of the S.G. Phillips Corp. for construction cost of the Suncook Wastewater Treatment Plant. All previous statements were paid according to a 65%-35% formula established and followed during entire construction period. This is 65% of $35,000.00 statement paid by Allenstown and not reimbursed by the Town of Pembroke.

Report Of The Concord Visiting Nurses Association

VISITING NURSES

Visits made during the year Beginning October 1, 1977 to September 30, 1978

Nursing	698 visits
Home Health Aide	352 visits
Physical Therapist	29 visits
Homemaker	418 visits
Nutritionist	---
Occupational Therapist	10 visits
Speech Therapist	13 visits

371 1/2 hours

The Concord Regional Visiting Nurse Association, Inc., continued to service Allenstown for the eighth year. They have provided skilled nursing care for anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and to do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurse's visits.

Special services; such as, physical therapy, speech therapy, occupational therapy, and nutritional guidance have been given by the special staff and consultants in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker-home health aides are available to give physical care, do light housekeeping, and assist with meal planning and meal preparation.

The nurses are delighted to advise new and expenctant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition, sickness, and accident prevention.

Anyone in Allenstown may request these services -- doctor, family, pastor, friend or the patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing care can be provided only, under a doctor's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 am and 4 pm is all that is necessary to start services or make inquiries. Saturday, Sunday, and Holiday calls are only made when there is serious illness. Fees may be scaled to those unable to pay the entire amount.

Sincerely,

Lutie K. Piper

Allenstown Police Department

Dear Allenstown Residents,

During the past year our officers have been busy with the problems of population growth. In comparison to other years 1978 had an increase in police activities! The department's concern for the citizens is to provide adequate protection to the town but, for 1979 our activity has to be curtailed to fit into the proposed budget. There is no way that we can provide 24 hr. coverage with the allotted monies.

From 1977 - 1978 the crime rate has more than doubled, the police force however has dropped in personnel. At the moment you are probably one of the fortunate one's who hasn't needed police assistance, but can you foresee the future? Also the telephone calls are steadily increasing, the calls for 1979 to date have already surpassed 1978. The average daily complaints that requires immediate attention has reached a total of 33! The paperwork which is attached to these complaints takes numerous hours to complete. We cannot be out on the road to prevent other crimes before they occur while we are tied up with paperwork over our heads that according to State Statute must be completed during an allotted amount of time. It is not for my benefit but for yours and yours only when the members of this department and myself tell you that this town has reached the point that your police department must be full-time to enable us to serve you the way you deserve to be!

Our Police Association this year had it's annual Policemen Ball and the profits are being used in purchasing food baskets for destitute families and also to support a Little League Baseball Team, and possibly this year a Men's Softball Team.

The personnel of this department hopes to keep your community safe for your family, and thank you for your support!

Respectfully yours,

Norman H. Connor
Chief of Police

Tri-Town Volunteer Emergency Ambulance Service

Annual report to the Townspeople:

In the hope of keeping you up to date on our activities we offer you our supporters this annual report.

Tri-Town Ambulance is trying what is almost oblolete in most areas. That is running a 24-hour ambulance service. Many people are amazed that we do charge, some are unconcerned, until they need our services.

Again this year our fund drive was a success and combined with the Town's donation we will not have any financial difficulties. If we end our fiscal in the column we consider it a successful year.

Our greatest concern is having enough trained personnel, so as to make the load easier for our attendants. If you can help, call our emergency numbers and you will receive the details.

As in the past, but just to refresh your memory, let us tell you of our great obligation to you as a resident of this town. YOU have a free ambulance at your call 365 days a year, 24 hours a day or a total of 8760 hours. This uses up much of some people's free time. If you would like to give an extra donation of money at any time, just address the envelope TRI-TOWN AMBULANCE, Suncook, NH. Thanks to the cooperation of the local Post Office, we will get it.

Our newest support is donations to Tri-Town in lieu of flowers when a loved one passes on. All donated monies given at this time is used for new equipment and new or continuous training of our personnel. What a wonderful way to help others.

To refresh your memory or for new people coming into our town, you may call Tri-Town at 485-7010, or The Hooksett Emergency Center at 485-5177 anytime you need our services. Our response time to your home, business or accident from our homes is not very long. People on duty pride themselves in their response time.

Our thanks to all who help as citizens, to police and firefighters and especially to the Hooksett Emergency Center who receive all our calls and dispatch our vehicles and personnel by radio or telephone.

Our record for 1978 was 804 calls or an overall record of 3168 calls since 1972.

Our request to you other than your donations is that you clearly mark your home or mail box with your name or number . . . your life may just depend on it.

Thank you all from the Members of Tri-Town,
Richard Thornton Chairman
Lois Theuner Sec. Treas.

Planning Commission

The Central New Hampshire Regional Planning Commission has existed since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. As an advisory body, the Commission is often invited to participate in local planning projects. As a part of its technical assistance program the Commission has been pleased to be able to assist the Planning Board with ordinance review and RSA interpretation as well as the provision of data maps.

The Commission is currently preparing reports or model ordinances in the areas of wetland protection, building codes, farmland preservation and septic tank installation. The Commission trusts that these will benefit all concerned.

The Commission hopes to be able to continue to serve the needs of its member communities in future years and appreciates the past support of its activities by the Town of Allenstown.

Charles Todd

Suncook Child and Youth Program

The Suncook Child and Youth Program has been providing Allenstown, Hooksett and Pembroke with comprehensive health care for eleven years. Health services are provided by a doctor, nurse, nutritionist and social worker team. Emphasis is placed on preventive health and treating the child or youth within his/her family. Health includes physical, emotional and social well-being. We co-ordinate health also with the schools, so that all resources are well utilized and maximized.

Last summer we attained scholarships and sent 60 children and youth to camps throughout N. H.

We provide health care for 152 children and youths and 67 families in Allenstown. Enrolled in our W.I.C. program are 81 women, infants and children. These families receive regular supplemental foods to help meet their nutritional needs.

Health services are provided daily Monday thru Friday.

Forest Fire Report

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to $1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

History of Allenstown, N.H.

by: Eugene J. Vallee, Jr.

Note: The history of Allenstown was originally being put together by the late Mr. William Baillargeon, a former Selectman of this town and his work was then published in different town reports. After the death of Mr. Baillargeon I continued to research the history of the town where he left off. The following is a few of the major events that occurred in Allenstown.

EVANGELICAL GROVE MEETINGS

Church services were held in the Meeting House in Allenstown when ministers could be obtained; but residents in western Allenstown went to churches in Pembroke, and as the population of eastern Allenstown declined there were few people to make a congregation.

There was one event however, which took place annually for 44 years and became increasingly popular as transportation became easier. This was the Evangelical Grove Meeting. It was held in Ela's Grove, which was popularly known as Allenstown's Cathedral of the Pines. The last and largest of these assemblies occurred in August 1886, and was reported in the Boston Journal under the headline;

TEMPLES IN THE GROVE

THE ALLENSTOWN (N.H.) ANNUAL EVANGELICAL GROVE MEETING: BETWEEN THREE AND FOUR THOUSAND PEOPLE PRESENT.

Sermon by the Rev. Dr. C.B. Crane, of Concord, N. H.

ALLENSTOWN, N. H., AUG. 1. The forty-fourth annual Allenstown Evangelical Grove Meeting, being a continuation of the Strafford County anniversary of Christian Churches, took place in the Elas Grove in that town today. The weather was delightful, and the gathering was the largest ever known to have occurred within the limits of the town, being estimated at between 3000 and 4000 persons. There were 800 teams on the ground, and those who attended represented every town within a radius of twenty miles. The grove had been beautifully fitted up with a preachers' stand, seats and other conveniences, through the liberality of Brice S. Evans of Boston, who for years has defrayed all expenses of the meetings.

The morning service opened at 10 a.m. with an address of welcome by the venerable Elder Joseph Harvey of Pittsfield, who has presided over or attended every anniversary for 44 years. A social half hour was enjoyed, in which numerous persons spoke briefly.

The regular service at 10:30 began with the reading of Scriptural selections and a prayer by Rev. C. B. Crane, D.D. of Concord. A large volunteer choir under the direction of Deacon John Harvey of Pittsfield, with Miss Abbie Staniels of that town as organist, sang with fine effect, "Oh Blessed Thought, He Leadeth Me." Rev. Dr. Crane delivered a most able and eloquent discourse.

The preacher was listened to with the closest attention, every seat being filled and a large number being obliged to remain standing through the service. After an intermission of 30 minutes another social meeting was held, following which was the regular afternoon service. Rev. M. A. Quimby of Epsom offered prayer, after which "Not half has ever been Told," was sung, the solo being very beautifully delivered by Miss Annie B. Dietrick, the soprano of the First Baptist Church choir of Concord, Miss Annie Sargent of Pittsfield playing the organ. Rev. Mr. Quimby preached with great power. His text was from John ii, 25 and 26. His theme was the earthly and heavenly life. Elder Harvey followed with an address, in which he briefly reviewed the great blessing which had attended the services of meetings from their conception, nearly half a century ago.

Brice S. Evans then paid an able and impressive memorial tribute to the late John Clark of Pittsfield, who had been for many

years identified with the Allenstown meetings. James Zane of Pembroke and others spoke. The great audience then arose, and all joined in singing, "Jesus Leadeth Me," after which Ella Harvey pronounced the benediction.

Among others present not named above were Rev. H. A. Stetson of Suncook, Elder Wright, with a delegation of Canterbury Shakers, and Eugene A. Lane of the Suncook Journal.

At 5:00 p.m. Mr. Evans entertained the clergy and a large number of visitors at his elegant country seat. At 7:00 p.m., the excersie terminated with a love feast at the Evans School House, at which a large number of people took part.

THE RAILROADS

NOTE: It would only be fair to mention the name of Mr. Brent Michaels of Pembroke N. H. when we talk about the railroads of this area. Mr. Michaels has gathered together an extensive and very accurate account of the railroads. Without the co-operation of Mr. Michaels it would have been a nearly impossible task to have acquired the following information. The following is only a small account of what I have written in the hisotry book of the town.

The Portsmouth, Newmarket and Concord Railroad was chartered July 1, 1845. By an act of the Legislature in 1846, Newmarket was dropped from the name and it was called the Portsmouth & Concord Railroad, and was chartered as such January 20, 1850. It was built from Concord through Pembroke, Allenstown, Hooksett, Candia, Raymond, Newmarket to Portsmouth. It was completed in 1852, with a station at Suncook Village. The road was greatly embarrassed with a large debit from the start, and issued a large amount of bonds. July 14, 1855, the Concord & Portsmouth Railroad was chartered and in 1857 they purchased the railroad from the trustees of the bondholders of the former corporation. Soon after this purchase, the Concord & Portsmouth Corp., leased itself to the Concord Railroad. This corporation and its successors under contracts made from time to time, have operated it.

To accommodate the travel to Manchester, Nashua, Lowell and Boston, a road was built from Suncook Village to Hooksett Village.

In 1861, the rails were taken up between Suncook and Candia, thus compelling the travel from Suncook to Portsmouth to pass through Hooksett and Manchester to Candia. In 1875, the station at Suncook was burned by a mishap that was caused by the locomotive itself. They soon rebuilt a more modern and up to date station which accompanied more people. It was built by the company some fifteen to twenty rods northerly from the old site.

SUNCOOK VALLEY

The Suncook Valley Railroad was first chartered January 4, 1849 and that charter expired July 1, 1863. It was built from Pittsfield through Chichester, Epsom, and Allenstown, to its junction with the Concord & Portsmouth Railroad just south of the Suncook Village. The Suncook Valley Railroad was completed in 1869, and the Blodgett which was the name of the Railroad Station was established in Allenstown.

On May 12, 1884, permission was given to the Webster Manufacturing Co. to construct and maintain a railroad track across the highway in Suncook, but that the Webster Mill would have to take all responsibility of said track.

The Suncook Valley Railroad operated south of the Suncook River down to the switchback below Ferry St. and up through Allenstown to the Bear Brook Station and then to Pittsfield. This switchback on Ferry St. was constructed to help compensate for the steep upgrade up the street. In fact due to the steepness of the hill, when the train was pulling many cars, they would disconnect them at the bottom of the hill. Then the engine would get behind two or three cars and push them up the hill all the way to the Bailey Lumber Co. The Bailey Engine would then hook them up and take them into the quarry to load up while the Suncook Valley would return and pick up a few more empty cars.

Just below the line on Ferry St., there used to stand a huge water tank, and this was the place where the engines used to stop to fill up their engines before going to Pittsfield. The Suncook Valley used to also run to Hooksett to service other mill sites, and also brought coal down to the covered bridges near Mount St. Mary's College. Supposedly they also used to drop freight cars off and Emerson

Manufacturing would pick them up with an old pick-up and pull them into their mill.

"SUNCOOK LOOP"

This line was never owned by the Suncook Valley Railroad, but it connected with the Suncook Valley and really was much a part of it. During this time the Concord R.R. operated the Suncook Valley R.R. and all of the passenger trains of the valley originated at Hooksett. Prior to the building of the Suncook Valley R.R. the Concord R.R. operated the Suncook-Hooksett-Concord line as the "Suncook Branch." Before 1861 the Suncook Branch was actually part of the original Portsmouth & Concord, R.R., however it became known as the Suncook Branch after the Concord R.R. tore up the Portsmouth & Concord R.R. between Suncook and Candia. By Re-routing all their trains through Manchester in order to operate from Concord into Portsmouth the Concord R.R. built the line between Suncook and Hooksett, creating the Hooksett R.R.

The Hooksett R.R. accommodated the following merchants along the line; The China Mill (today Thomas Hodskin & Sons) in Allenstown, Heads Brick Yard in Hooksett, and the Dundee Mill in Hooksett. China and Head's both had their own sidings, but Dundee prior to 1932 or a short while before being purchased by the Emerson Toy Chair Co. was accommodated by a siding a short distance on the railroad. The siding above Emerson or Dundee was also used by Mount St. Mary's teachers for coal shipments.

Around 1933 the Boston & Maine R.R. who owned the Hooksett R.R. connected this line with the remaining tracks of the Concord & Maine that was located near the Dundee Mill. Rails and Ties that were used to connect this line were from the old Concord & Maine line. Operation over the line between Dundee and the siding was operated in this manner; the trains would leave cars destined for Emerson and a crew from that company would physically push the car down to the mill with assistance from the grade of the railroad at that particular point. In order to return a car to the siding Emerson would use an old pick-up truck and connect it with a chain and pull it up to the siding. It is possible that a locomotive may have operated into this trackage. Anyway the brake wheels on the freight cars were of much use during this operation. The Emerson Co. moved to Suncook in 1938 and re-located into the Webster Mill where it was once again serviced by the "Suncook Loop."

The Hooksett R.R. lost its connection with the B & M R.R. main line in Hooksett Village after the B&M removed its tracks over the covered bridges. B&M was interested in abandoning the "Suncook Loop" in the middle 1930's and the bridges were in such poor conditions they were delcared unsafe so the rails were removed. The flood of 1936 which occurred during the spring of that year, washed these bridges out. No attempt was ever made to save them as both the Suncook Valley R.R. and the Boston & Maine R.R. were not interested in them.

The east side of the line between Hooksett to the Suncook River was abandoned in 1949. Tracks into the China Mill were left intact until the Suncook Valley was abandoned in 1952.

FAMOUS TRAGEDIES

NOTE: IN THE early 1900's Allenstown experienced more than their share of tragic incidents. The following two incidents are just two of the nearly 100 tragic accidents that have occurred in the 1900's.

DEATH OF IGNACE MALO

Concord, Jan. 30, 1906

Investigation at Manchester, January 26, 1906
Witness: Henry S. Elliott, Conductor; William D. Spaulding, motorman.

Ignace Malo, a lad of about twelve years old, was fatally injured by an electric car near the Blodgett crossing in the village of Allenstown, January 10, 1906, a few minutes before one o'clock in the afternoon. The boy was one of a number of french children who were in the street on their way to school, just beyond the crossing over the track, he and the others ran after the electric train as it went along as if they intended to catch a hold of it and go for a ride. The conductor, Henry S. Elliott, who was in the rear vestibule, shouted to them to go away, and soon after, the car having stopped before reaching the crossing, he left the train and walked ahead to see that the track was clear, which was according to the rule. Finding that no train was coming on the steam road, he signalled

the motorman, William D. Spaulding, to come over, and at the same time as he looked back to the car he saw the Malo boy lying in the street behind it. The motorman released the brakes but at the same moment he received a signal from a xsection man in the rear vestibule to stop, and so did.

It was learned later from the children who were with the Malo boy that as the car ran slowly up the hill towards the crossing young Malo darted under it, caught a hold of a truss rod with one hand and was riding there, waving his other hand to his companions when he fell upon the track and was run over. Both of the young lads arms were crushed and one leg was badly injured. Immediately he was taken to the hospital where he died nearly four hours later.

"THREE DEAD, TWO DYING, FIVE OTHERS HURT AS BOILER BLAST WRECKS MILL AT SUNCOOK."

That was the front page headlines of the Manchester Leader and Evening Union on Monday July 30, 1934. The sub-headline read: BUILDING IS BLOWN TO BITS AS BODIES ARE HURLED HUNDREDS OF FEET BY FATAL EXPLOSION.

ALLENSTOWN, JULY 30 - An explosion of a steam boiler at the saw mill of the Bailey Lumber Company early this forenoon claimed the lives of three men and injured seven other persons, two of whom may die.

THE DEAD:

Armand Lauzier, 34, of Suncook, fireman of the Boiler.
B. L. Randall, 69, of Suncook, an employee of the mill.
Wilfred Amyot, 33, of Suncook, pit cleaner.

THE DYING:

Olivier Lavertue, 18, of Suncook, and employee of the Company, he is suffering from third degree burns at the Notre Dame Hospital, in Manchester.
Rudolphe Lefebvre, 19, also at the Notre Dame, suffering from third degree burns.
Others injured; none seriously, include:
Hall Bailey, 50, of Pembroke, president of the Bailey Lumber Co.
Omer Lavertue, 20; Alcide Boisvert, 5; Ernest Coulombe, 12; Earle Severance, 40 of North Pembroke.

BOILER HURLED 500 FEET

The explosion was so terrific that the boiler, an Erie 44, was blown to a distance of 500 ft., landing in the open pasture which adjoins the site of the mill. The Company's buildings were located off the Daniel Webster Highway, just south of the double decker bridge.

Parts of the boiler were blown into the river, together with pieces of machinery but the big round section, which weighed about a ton, made an eratic journey across the field, digging deep holes into the ground as it jumped along the ground like a rubber ball.

The rambling, metal roofed structure was disentegrated by the explosion and a brick oven was totally demolished, bricks were scattered all over the place in the vicinity of the mill.

What happened is not definitely known. Shortly before eight o'clock there was a dull noise and the entire country side shook as if an earthquake was hitting the town. Lauzier the fireman was hurtled through the air, his body cleared the tree tops and he then landed in the Suncook River. Amyot the pit cleaner, who was standing nearby, was picked up off the ground and hurled through the air his body crashing against a platform. He and Lauzier were killed instantly from skull fractures, being the immediate cause of death although both bodies were badly mutilated.

Omer Lavertue, the teamster, was also hurled up through the air but he landed practically unhurt in the field. He had been standing near Amyot and it is nothing short of a miracle that he was not hurled in the same manner. As a matter of fact no one seemed to believe that some of them escaped with their lives.

SCALLED BY WATER

Escaping boiling water scalded Bailey, Randall, and Olivier Lavertue, the latter two being rushed to the Notre Dame Hospital in Manchester by automobile.

Mr. Randall was unconscious when picked up and he regained consciousness for a few minutes on the way to the Margaret

Pillsbury Hospital in Concord where he died at 11 o'clock.

Rescuers searched for a long time for Lauzier's body before Romeo Plourde located clothing floating near a log. Laurier Baron dove into the river and located the body which was totally nude, all clothes having been torn off by the explosion.

Mr. Bailey, who had a narrow escape as he was at the scene only a few minutes before the accident, and said that Lauzier told him the boiler was in good working condition earlier that morning. With that knowledge, Mr. Bailey parted and went on down the river and when he had reached a point just below a bend in the Suncook River when he heard the noise and noticed pieces of metal and iron flying in the air, over the tree tops and landing in the river. Sensing immediately that trouble was afoot, the man retraced his steps and arrived at the site of the mill to find the place in ruins, as did neighbors in the area who were also rushing to the scene.

The boiler had been inspected about two months ago and had been declared in good condition. Th explosion was heard as far as three miles away and it caused much concern over the probability of an earthquake since the ground shook so terribly. News of the tragedy had spread like wildfire and hundreds of people visited the scene to view the wreckage. All three of the victims were married and were well known in town.

NOTE: The stories that you have just read include just a portion of the main topic that surround each one. In the history book of Allenstown the stories are more defined and precise with the outcome of each event. In next year's town report I'll include the following stories: THE SUNCOOK INDIANS AND THEIR CUSTOMS, THE INCORPORATION OF ALLENSTOWN, THE FOUNDING OF ST. JEAN BAPTISTE PARISH, BAILEYS' QUARRY, AND THE STORY ON HOW THE RAILROADS OF THE AREA CAME TO AN END. ALONG WITH THIS THERE WILL BE INCLUDED A FEW BIOGRAPHICAL SKETCHES OF IMPORTANT MEN IN ALLENSTOWN IN THE 19th CENTURY.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Allenstown School District
Allenstown, New Hampshire 03275

Members of the Board:
Submitted herewith is the report of the examination of the Allenstown School District for the year ended June 30, 1978 and 1977, which was made by this Division in accordance with the vote of the District.

One of the enclosed reports must be given to the District Clerk for retention as part of the permanent School District records.

FINANCIAL STATEMENTS

Statements of Changes in Fund Blanace: (Exhibit A-2)

On a budgetary basis, the change in Fund Balance is summarized as follows:

	1977	1978
Revenues in Excess of Estimates	($7,962)	($ 3,467)
Net Unpexpended Balance of Appropriations	12,163	58,017
July 1 Fund Balance Used To Reduce School Tax		(18,054)
Change in Fund Balance	$4,201	$36,496

GENERAL COMMENTS

Elementary School Lunch Program

RSA 197:23-a Treasurer's Duties, states in part ... "The treasurer shall have custody of all monies belonging to the district and shall pay out the same only upon orders of the school board ..."

At the present time, School Lunch Funds are maintained in the custody of the School Lunch Director. Funds received from the sale of meals and milk, as well as federal reimbursement funds received through the School District, and in some instances, District appropriations, are deposited by the School Lunch Director and all payments for food and supplies, as well as some equipment purchases and payrolls, are made by the School Lunch Director. The Treasurer is not involved in the transactions, nor are invoices or manifests approved by the School Board.

We believe this to be a serious weakness in internal control due to the lack of proper segregation of duties of the School Lunch Program Director. Therefore, we strongly recommend that School Lunch Funds be handled by the Treasurer to strengthen internal controls and comply with State law.

Conclusion:

The provisions of RSA 71-A, Section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in this audit report is optional at the discretion of the School Board. This letter, however, must be published in its entirety.

We extend our thanks to the officials and employees of the Allenstown School District for their assistance during the course of the audit.

Report Of The Superintendent Of Schools

I would like to commend the staff mmbers for the efforts that they have made in the area of staff development and in-service training. In November 1977, the Supervisory Union #53 Staff Development Master Plan was evaluated by a State Department of Education team. The evaluation report that the Staff Development Committee received from the team was quite positive. The recommendations that the State Department of Education team made were considered as the Staff Development Committee prepared the Supervisory Union Staff Development Master Plan that will cover the years 1978-1981. A great deal of credit should be given to the various staff members who have served on the Staff Development Committee during the last three years, and I would like to give special thanks to Virginia Sanborn and Elsie Fife. As I have reviewed the in-service training work of the various staff members, I have been very impressed with the many worthwhile activities in which they have participated.

The staff evaluation system that we are presently utilizing is also oriented toward professional improvement. As I have reviewed the work that has been done by the principals and the staff members with whom they work I have been very impressed by the efforts that have been made to develop new and better methods of instruction. I have been even more impressed by the concern that has been demonstrated for the welfare of the individual student.

Central New Hampshire Educational Services, Inc. continues to provide essential diagnostic services to the pupil placement teams as they carry out their efforts to develop individual programs for students. We have been fortunate in that a major share of the revenue required to fund the services provided by Central New Hampshire has been provided by the state and federal government.

In closing, I would like to thank the School Board, School Staff and citizens of Allenstown for all that they have done for the students.

Respectfully submitted,

GERALD A. CROTEAU
